MENNONITE CHURCH

Welcome

People call us Mennonites. More important than being called Mennonites is the fact that we are Christians who seek to obey the entire Gospel. In many ways, our adherence to the Gospel makes us different. We are willing to be different because we are serious about getting to Heaven.

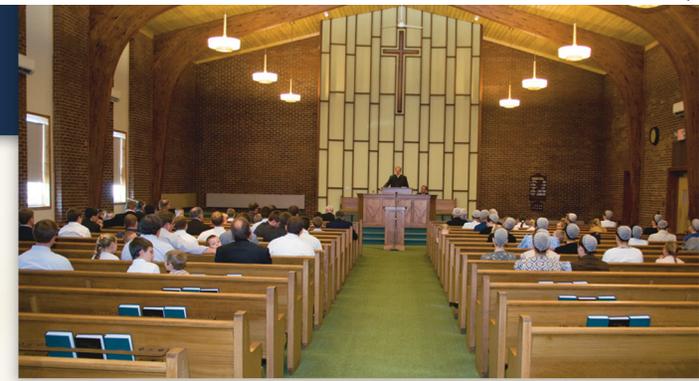

Many churches are not teaching the whole Word of God. They omit Bible principles that are unpopular and end up violating God's established laws. Jesus gave his life for us and we want to live for him by obeying all his teachings given to us in the

Bible. When we live for Him, He promised the abiding presence of the Holy Spirit, and a body of believers to call our spiritual family.

Traditional Worship

We invite you to attend our services. We practice many teachings of the New Testament in a literal way. You will witness these things in our services.

- Congregational a capella singing
- Sunday school for ages 4 and up
- Kneeling posture for prayer
- Practical preaching from the KJV
- Members greet each other with a Holy Kiss
- Women wear a head veiling
- Men and women sit separately
(visitors may sit as couples)

We trust that you will be encouraged by attending our services. We are common people like you, trying to help each other be true disciples of Jesus.

Free Gift

We invite you to attend our church. As a token of our friendship, we would like to give you a free Bible on your first attendance of one of our services.

Bring this brochure and give it to one of the members and they will see that you get your free Bible.

It is our prayer that the Word of God becomes your guiding Book and that you read it often. God has told us in His Word how He expects us to live. We pray that you will follow the Word of God with all your heart.
